BACK TO REGULAR QUOTE, ACKNOWLEDGMENT & PRODUCTION LEAD TIMES

We would like to inform you that our delivery times have returned to normal. During the summer, our teams worked nights and weekends attempting to minimize the impact of long lead times in production, acknowledgments and quotations. The efforts have led to results and we are pleased to announce our return to the regular lead time as of today.

Current lead times:

- 72 hours for quotations
- 5 days for acknowledgment
- 4 weeks lead time delivery

We thank you for your collaboration and the trust you have placed in us year after year.

If you would like more information or have any questions, please contact us at 1.877.864.9323 during our office hours.
