

ANNOUNCEMENT

Attn.: All Logiflex distributors and representatives

As we mentioned earlier in 2018, Logiflex will be making changes to laminate finishes, the 2017–2018 Premium colors and the MAR moulding from November 30 to January 1, 2019.

CHANGES TO OUR RANGE OF FINISHES

This is a reminder that we will eliminate five laminate colors at the end of 2018. Please note that any order placed or quotation provided in 2018 that includes one of these five colors will be considered a standard order.

As of January 1, 2019, the colors Cherry, Finesse, Legno Light and Vanilla will be considered special colors. The color Tan will no longer be available.

REQUESTS FOR SPECIAL COLORS

Beginning January 1, 2019, the minimum order value for any new order that includes special colors is \$25,000 net. A 30% surcharge and a minimum of 2 additional weeks will be applied to the order.

To be specific, colors considered to be specials are:

- Colors that are not in our Colors & Finishes Guide
- Old Logiflex colors that have been retired from our Colors & Finishes Guide
- Current Logiflex colors in thicknesses other than those offered

END OF THE FIRST EDITION OF 2017–2018 PREMIUM COLORS

Logiflex presented the first edition of its Premium colors towards the beginning of 2017, featuring the colors Smokewood, Silverwood and Intrigue. As of December 31, 2018, this temporary collection will no longer be available. Please note that any order placed or quotation provided in 2018 that includes one of these three colors will be considered a standard order. As of January 1, 2019, the three colors will be available only while supplies last.
